

HIGH SCHOOL DIPLOMA PROGRAM

Eureka Adult School Diploma through Credit Recovery: We identify the credits you need and work with you on a self-paced independent study program that can be computer or paper-based. You meet regularly with a teacher to guide you through all your work. There is no cost for this program.

HOW DO I GET STARTED?

Your first step is to provide us with your high school transcript from the last school you attended. Once we evaluate your transcripts, we have you come in for a diagnostic test and then recommend the best pathway for you.

IT'S NEVER TOO LATE

We can help you meet your personal goal and open doors to job promotions, further training, education, or a new career!
